Sir,

Subject Re the appointment of one B K Lakshminarayana Laboratory Attender in the Medical College, Mysore, as Laboratory Assistant in grade Rs 25-3-40 plus CA 5 p m in the Health Section

---

I have the honour to state that the post of Laboratory Assistant in the Health Section has been vacant since 1-7-45, and the vacancy was advertised through the Public Service Commissioner several times and no suitable candidates were forth-coming Lastly the vacancy was advertised by the Public Service Commissioner and nine applications were received The candidates were called for an interview and the appointment was made accordingly But the candidate did not join duty nor were the other candidates found fit for the appointment Hence the Public Service Commissioner has again been requested to readvertise the vacancy vide this office No M6 185-114/46-47 dated 23-1-1947 and no applications have been received so far from him The work in the Laboratory Section has suffered very much for want of a hand

Dr V R Naidu, Professor of the Medical College, Mysore, who was requested by the Health Officer to recommend a suitable candidate conversant with laboratory work for the post has in his D O letter dated 4-2-47 ~~xx~~ written stating that one B K Lakshminarayana who has studied up to Sixth Form who is working as a Laboratory Attender in his Department for the last 3 years is quite suitable for the Laboratory work as he is well trained in Biochemical and Bacteriological work and that he can do with confidence any laboratory work entrusted to him etc

The Health Committee at its meeting held on 22-2-47, passed a resolution that the services of B K Lakshminarayana recommended by the Pathologist as a trained hand may be appointed in the existing vacancy and Government be requested to exempt him from the operation of the C R B rules since the post requires a technically trained hand only

The Municipal Council at their meeting held on 3-3-47, approved of the recomrendation of the Health Committee

Once the proposal to appoint the above candidate was sent to Government and they in their order No I 9813 dated 25-3-46 directed that the vacancy may be advertised and in case there is no response, the proposal may be renewed for the consideration of Government Accordingly the vacancy was advertised and no suitable candidates were forthcoming Hence, the Council have approved the recommendation of the Health Committee

In these circumstances, I request you kindly to obtain the approval of Government for the appointment of B K Lakshminarayana, Laboratory Attender of the Medical College as Laboratory Assistant of the Health Section in grade Rs 25-3-40 plus CA 5/- p m exempting him from the operation of the P S C Rules in view of the special recommendation made by Dr V R Naidu and also in the interest of the laboratory work

Copies of the resolutions of the Health Committee Council resolution, letter from Dr V R Naidu and the Government Orders referred to are herewith enclosed for kind reference

I request the favour of early sanction in the matter

I have the honour to be,
